	Rules for Use of Certification Mark	Document ID: PID-01	Rev.: 0
		Date: 06/09/2025	Page: 1 of 3

1. PURPOSE

This document establishes the public rules governing the use of the PRIME Certification Services mark and related certification claims, in accordance with ISO/IEC 17065 principles and applicable certification scheme requirements.

2. SCOPE

These rules apply to all clients holding valid certification granted by PRIME Certification Services for products within the approved certification scope.

3. AUTHORIZED USE OF THE CERTIFICATION MARK

The certification mark may only be used:

- By certified clients.
- For products covered by a valid certification.
- Within the approved certification scope.
- During the validity period of certification.
- In accordance with applicable certification scheme requirements.

The certification mark shall not be transferred, sublicensed, or used by unauthorized parties.

4. PROHIBITED USE

The following practices are prohibited:

- Use of the certification mark on non-certified products.
- Misleading or false certification claims.
- Use of the certification mark outside the approved certification scope.
- Use of the certification mark after suspension, withdrawal, or expiration of certification.
- Use of the certification mark in a manner that may compromise the integrity or reputation of PRIME Certification Services or applicable accreditation bodies.

	Prime Certification Services (PCS) Unipessoal Lda		
	Rules for Use of Certification Mark	Document ID: PID-01	Rev.: 0
		Date: 06/09/2025	Page: 2 of 3

Any misuse of the certification mark may result in corrective actions, suspension, withdrawal of certification, or legal actions where applicable.

5. SUSPENSION OR WITHDRAWAL OF CERTIFICATION

When certification is suspended, withdrawn, reduced, or terminated, the certified client shall immediately discontinue:

- Use of the certification mark.
- Certification claims related to affected products.
- Promotional materials referring to invalid certification.

PRIME Certification Services reserves the right to publicly update certification status information where applicable.

6. REFERENCE TO ACCREDITATION

References to accreditation status, accreditation symbols, or combined marks involving accreditation bodies shall only be made in accordance with applicable accreditation rules and authorization requirements. Clients are not authorized to use accreditation body symbols unless formally permitted under applicable rules.

7. MONITORING AND CONTROL

PRIME Certification Services monitors the use of certification marks during certification and surveillance activities to ensure continued compliance with certification requirements. Improper or misleading use may be investigated and formally addressed through the organization's certification procedures.

8. QUESTIONS AND REQUESTS

Questions regarding the use of the certificate or requests for approved artwork may be directed to: CERTIFICATION@PRIMECERTIFY.EU

9. FINAL PROVISIONS

This document is publicly available as part of PRIME Certification Services' commitment to transparency, impartiality, and compliance with ISO/IEC 17065 requirements.

Printed copies are not controlled. Make sure you use the latest version of the document and, if in doubt, consult the master list.
